Supplementary Announcement to the 2025 Annual Report

Reference is made to the annual report for the year ended 31 December 2025 (the “**2025 Annual Report**”) of Regent Pacific Group Limited (the “**Company**”). Capitalised terms used herein shall have the same meanings as defined in the 2025 Annual Report unless otherwise stated.

The Company would like to provide additional information on the paragraph headed “Material Changes for the Year Ended 31 December 2025” that is set out in the section of Management’s Discussion and Analysis of the Group’s Performance in relation to the audited consolidated financial results of the Group for the year ended 31 December 2025 on page 50 of the 2025 Annual Report.

The Group’s prepayments, deposits and other receivables decreased by approximately 22.76% to approximately US\$285,000 (or approximately HK\$2.22 million) as at 31 December 2025, from approximately US\$369,000 (or approximately HK\$2.88 million) as at 31 December 2024. The decrease was principally attributable to the invoicing and full settlement in March 2025 of a one-off reimbursement of approximately US\$80,000 (or approximately HK\$624,000) in respect of regulatory costs incurred between 2018 and 2024 on behalf of the Group’s commercial partner in connection with its application for product approval from the National Medical Products Administration in China.

The above additional information is supplemental to, but does not affect, other relevant information contained in the 2025 Annual Report.

Note: Unless otherwise specified herein, the amounts dominated into US\$ have been translated, for the purpose of illustration only, into HK\$ using the exchange rate of US\$1.00 = HK\$7.80.
